

BIBLE TALKS

Preface

“For where two or three gather in my name, there am I with them.”

Matthew '8:20 (NIV)

Bible Talks are the heart of our church community. These small-group discussions take place weekly throughout the Tampa Bay area—in homes, workplaces, and on college campuses. Each gathering creates a dynamic space for authentic relationships among people who want to grow in their understanding of Jesus.

“Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts.”

Acts 2:46 (NIV)

Bible Talks serve as a safe, welcoming space for individuals to connect with scriptures. By building relationships based on shared life experiences and interests, our groups aim to guide people toward a deeper spiritual journey rooted in the teachings of Jesus Christ.

What Are They?

A young man with short, dark, curly hair is shown in profile, looking towards the right. He is wearing a dark-colored jacket with a white collar. The background is slightly blurred, showing other people in a group setting. The overall tone is blue and monochromatic.

Purpose

“I have become all things to all people so
that by all possible means I might save
some.”

1 Corinthians 9:22 (NIV)

Bible Talks are centered on individuals searching for truth and purpose. Regardless of religious background, our groups meet people where they are to offer guidance through the Word. Members actively evangelize in their communities and strive to share the message of discipleship.

“They invited him to their home and explained to him the way of God more adequately.”

Acts 18:26 (NIV)

Bible Talk members embody the heart of a servant by investing in the lives of others within the group and throughout their communities. Through hospitality, encouragement, and mentorship, they demonstrate the power of living for others.

Servitude

Lessons

“Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom...”

Colossians 3:16 (NIV)

Each discussion welcomes diverse thought with open-ended questions. We invite participants to speak openly about their testimonies and reflect on the message. Because engagement with the scripture calls for personal growth, our lessons encourage everyone involved to learn and live out the Bible daily.
